

* This is a temporary, seasonal bump to USPS's published rates, not a separate fee tacked on at checkout, running Oct 4, 2026 through Jan 17, 2027. It covers Priority Mail, USPS Ground Advantage, Priority Mail Express, and Parcel Select. Each dollar amount below stacks **on top of** USPS's normal published rates. We're showing commercial pricing only here, USPS's announcement also includes retail rate increases, linked below.
